February 22 - 25, 2024

32nd Annual Viking Cup

Viking Cup 2024

For scores and updates, visit www.thevikingcup.org

THE VIKING CUP - TOURNAMENT RULES AND REGULATIONS

The South Carolina High School League rules pertaining to soccer will govern play in this tournament, with the following exceptions:

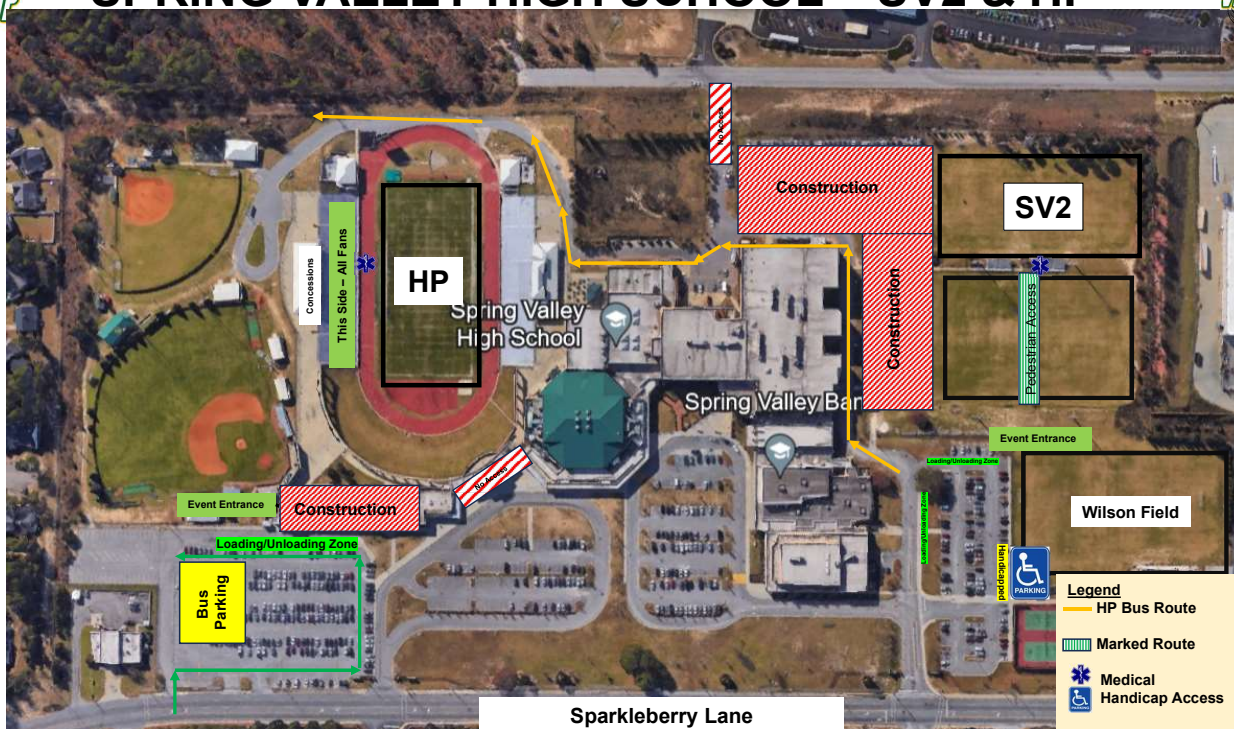

- 1) All bracket matches will be 70 minutes in duration (35 minutes per half). Halftime will be five minutes. Sunday matches (semi-finals and finals) will be 35 minute halves with two five-minute golden goal overtime periods. Halftime will be 10 minutes.
- 2) Teams will be prepared to begin promptly at scheduled match times to prevent delays.
- 3) All Bracket matches, if tied at the end of regulation, will proceed as follows:
 - a) All first, second, and third round matches (includes every Thursday match, every Friday match, and every Saturday match) will be scored as a tie. The match will then immediately proceed directly to penalty kicks using SCHSL rules to determine bracket advancement (the penalty kick winner will advance as the "winner" of the game within the brackets). There will be no overtime so as to keep matches running promptly. If bracket advancement is not necessary (all group [X-Bracket] matches and all Saturday third round consolation matches), there will be no penalty kicks. The match will end immediately after regulation and be scored as a tie.
 - b) Only on Sunday (semi-finals and both finals), an overtime of two five-minute periods will be played if matches are tied after regulation. A coin toss will determine which ends are defended. If the overtime extends to the second five minutes, the teams will switch goals. Overtime will be sudden death or "golden goal." The first team to score will be declared the winner and the match will immediately end.
 - c) Semi-final and final teams that are tied after the two five-minute overtimes will proceed immediately to penalty kicks using SCHSL rules to determine a winner. There will be no ties during the single-elimination (Sunday) portion of the tournament. The overtime and penalty kicks will be used to declare a match winner. No Sunday match will be scored as a tie.
- 4) Any player disqualified from a match will miss the next game. Any player disqualified for excessively violent or unsportsmanlike conduct may, at the discretion of tournament officials, be disqualified for the remainder of the Cup.
- 5) All four Bracket A/B/C/D champions will advance to the semi-finals on Sunday morning. For pairings, match times, and locations, see the upper right corner of each bracket. Semi-final winners will advance to The Viking Cup championship match on Sunday afternoon (see brackets for information). Both Bracket X group winners will advance to The Viking Cup X-Bracket championship match on Sunday morning (see lower left corner of Bracket X for scoring and information).
- 6) Home teams (top of bracket) will wear dark uniforms. Visiting teams (bottom of bracket) will wear white. *Visiting team may choose to wear a dark uniform that clearly contrasts (both jersey and socks) with the home team's uniform upon notification of the head coach of the home team and the referees. Tournament approval is not needed, but the referees for the match have the final say on the matter should questions arise (if they believe the uniforms are too similar, visitors must wear white).
- 7) Declaring a champion in the event of severe weather (or other necessary) cancellations:
 - a) If cancellations of matches prevented an overly large number of bracket matches from being completed (discretion would lie with tournament committee), no champion would be declared.
 - b) If bracket play is completed but Sunday play is cancelled, a champion would be declared from among the four bracket champions. Placement would be determined on a point system. Points would be awarded as follows – three points for each victory by your team; two points for each victory and one point for each tie achieved by a team you have faced in bracket play (i.e., reward for strength of opponents); one point for each shutout your team has achieved; and one point deducted for each advancement by your team via penalty kicks.
 - c) If required, goal differential (+/- maximum of three goals per game) would be used to determine the champion from among teams tied in the above points system. Finally, goals allowed (no limit per game) would be the final tie-breaker.
 - d) If no definitive single champion were able to be declared at this point, co-champions would be declared.
 - e) For the X-Bracket, no champion would be declared if group play were not completed. If group play were completed, the group winner having earned the most points would be declared the champion. If the two group winners were tied in points earned, co-champions would be declared.

****Awards will be earned as follows:**

- a) Each bracket champion (Brackets A/B/C/D) will receive a team award.
- b) The Viking Cup Champion and Runner-up will each receive a team award.
- c) The Viking Cup X-Bracket Champion and Runner-up will each receive a team award.
- d) All finals champion and runner-up players will receive individual awards.
- e) One Senior player from each championship match will receive an MVP scholarship.

In memory of Ashley Nicole Dent Spring Valley Varsity Soccer Class of 2006

Ashley's #10 jersey was retired in 2006 and hangs on the Spring Valley Athletic Wall of Fame. Ashley will be forever remembered and loved by her Viking soccer family.

In honor of Ashley, the Ashley Nicole Dent Senior MVP Scholarship in the amount of \$1,000 is awarded to the college bound senior MVP of The Viking Cup.

Eligibility Criteria:

- Nominees must be college-bound Seniors
- Nominees must not be disqualified (red card) from any match during the tournament
- Nominees must not be cautioned (yellow card) more than once during the tournament
- Exceptions to the two prior rules may be approved by the scholarship committee for errant, non-flagrant, or otherwise more minor violations – examples might include a disqualification for a marginal handball preventing a goal or a card that vide evidence shows was issued in error. Discretion will remain solely with the scholarship committee should such a situation arise.
- Scholarship winners must attend an institution of higher learning upon graduation from high school and must present receipts for related expenses for reimbursement
- Scholarship winners must claim scholarship during calendar year award is received

Selection Procedures:

- Selection will be made by The Viking Cup Scholarship Committee (formed ad hoc annually)
- One scholarship will be presented to the Senior Tournament MVP from Brackets A, B, C, and D
- One scholarship will be presented to the Senior Tournament MVP from the X Bracket
- The Senior Tournament MVP's will be selected from among championship finalists within both above categories only (no player eligibility from teams not playing in a final)
- Overall tournament performance, performance on Sunday, and overall contributions to team success will be among the factors considered for selection
- Visiting coaches may be asked for input during the decision-making process, primarily as a means of gathering data about player performance during the Cup
- Should a Spring Valley player become eligible, neutral visiting coaches will be added to the selection committee
- The scholarship recipient will be announced at the awards presentation after the final match in each divisio
